We can send an appointment reminder by email. The appointment reminder will include only the date and time of your appointment and your provider's name. We will not encrypt the messages. Health care information sent by regular email could be lost, delayed, intercepted, delivered to the wrong address, or arrive incomplete or corrupted. If you understand these risks and would like to receive an appointment reminder by email, we need to confirm that you accept responsibility for these risks, and will not hold us responsible for any event that occurs after we send the message.
